

2018 AM TRAINING SCHEDULE FOR LIVESTOCK MEAT INSPECTORS

You are required to attend one Maintenance Training session in its entirety per year. It must be the appropriate session for the license(s) you are holding.

See below the training schedule for 2018. Please read the schedule carefully and plan accordingly to attend one session. Remember to be in the classroom on time, as latecomers will not receive credit for attendance.

**** From now on, the online webinar as an alternative to in-class training can be conducted on your request. Please submit your request to me via an email stating the month (from March to November) you wish to complete this training. After complying with a few conditions, the webinar date, hour and the rest of needed information will be provided to you.***

*If you have questions about this training, please call me directly at (916) 202.9604 or contact me via e-mail Robert.czarniecki@cdfa.ca.gov

PLEASE NOTE - there will be no training after November 5th and no training reminder will be mailed to you after this one.

***IMPORTANT**

Please note that the Branch will allow a licensee to miss yearly maintenance training one time within a five consecutive year period without serious consequences. The second nonattendance at yearly training in any consecutive five year period may result in revocation of the license. If a license is revoked, it can't be reinstated for at least three months and relicensing requires a new license application and fee.
